Sant Gadge Baba Amravati University

NOV 2022 -JULY 2025

CGPA 8.49/10

Diploma In Information Technology

Government Polytechnic Jalgaon

JULY 2019 – JULY 2022

Percentage – 81.44%

Post Graduate Certified Program in Advance Computing

CDAC Acts ,Pune

FEB–2026 - JULY 2026

pursuing

PROJECTS

E-commerce Platform /Full stack web application

- Developed & designed a full-stack e-commerce platform using React, Node.js, and MongoDB.
- Implemented features including product listings, shopping cart, and user authentication.
- Deployed the application on AWS, enabling auto-scaling and load balancing.

Digital Forensics investigation system /web application

Project Repo :- https://github.com/gaurav-chopade/Forensic_Investigation

- Developed and designed the web application using JSPs.
- Developed a secure Mobile OTP Authentication System to verify users using one-time password (OTP) through SMS, ensuring enhanced security, user verification, and protection against unauthorized access.
- Implemented a blockchain-based digital forensics investigation system to ensure secure, tamper-proof evidence storage and transparent case tracking.
- Deployed the Digital Forensics Investigation System on Apache Tomcat Server to ensure reliable application hosting and efficient request handling.
